RE: C.R.S.G. STUDENT SERVICES.

Community Radio Sir George is a student owned and operated station broadcasting from the Hall building of Concordia University.

We are presently entering our 20th year of operation, and it appears to be shaping up to be one worth celebrating both for ourselves and our audience.

C.R.S.G. has expanded its student services again this year, to better satisfy the needs of both individual students and those of other University clubs and associations.

Please find attached a list of our various services. If at any time you have specific questions, please do not hesitate to call me. Remember: C.R.S.G. 89.1 Cable F.M. is the Sound Investment.
